We know lots of you really enjoy coming to St James's Toddler Group and we'd be really grateful if you could post a few recommendations on Netmums to give newcomers a good feel for the group.

### VOLUNTEERS

We would love extra people to help prepare craft activities, help occasionally set up and pack away, help serve coffee and wash up, and also people who could spare a couple of hours at half terms to help clean the toys. If you could help occasionally with any of this please add you name and details to the list on the Welcome Desk

Thanks!

## EILEEN'S PLAYDOUGH RECIPE

Thought we'd include this again as we still get lots of requests for it!

– an inexpensive, tried and tested recipe

1 cup plain flour, sieved  
1 cup water  
Mix these two ingredients to a smooth paste in a saucepan

Then add:  
2 tablespoons cream of tartar (important)  
½ cup salt  
2 teaspoons oil  
some drops of food colouring

Stir over a low heat for about 4 minutes until the dough comes away from the sides of the pan and forms a ball.

Will keep indefinitely wrapped in a plastic bag in the fridge. Harmless if eaten! Moisten with water if it becomes dry.

Let us know how you get on and we can include photos in future issues!
